Dear Mr. Dubois;

On behalf of **Canadian Guide Dogs for the Blind** I would like to personally thank the **Ottawa PC User's Group** for it's donation in the amount of \$100.00 Without your support, we would not be able to continue with our mission to provide Canadians with greater mobility and independence through the use of professionally trained Guide Dogs (Nationally) and Mobility Assistance Dogs (Ottawa area). On behalf of our clients, I would like to thank you for your support and want you to know what your donation means to them and how their lives have been changed through obtaining a guide or assistance dog.

*"As a four-time client of Canadian Guide Dogs for the Blind, I can attest that CGDB has been extremely beneficial to me over the past 27 years. Each of the dogs I have had the pleasure to work with over that period, although different in breed and personality, have all been exceptional companions and workers. They have allowed me the freedom to travel independently and safely across Canada, both for work and for pleasure. I am always impressed by the professionalism and competence of the staff at CGDB and their efforts are clearly reflected in the quality of the dogs they train. I cannot say enough as to how important the service has been to me and I hope to be able to use these services for years to come. Your ongoing support is greatly appreciated by those of us who depend on dog guides for our independence, safety, mobility and in fact, our quality of life."*

*Bruce MacDonald, Halifax, Nova Scotia*

Without your support, we would not be able to continue the work that we do.

Yours sincerely,

Jane E. Thornton
