Managing Your Android Phone!

OTTAWA – Press release date WEDNESDAY October 7, 2020. The Ottawa PC Users' Group (OPCUG) invites the public to participate in its **upcoming ONLINE** presentation by our own Alan German **Wednesday Oct. 14th General Meeting.**

In response to COVID-19, the OPCUG is holding a Zoom video conference event

(see <https://opcug.ca/wp-content/uploads/2020/07/Zoom-instructions2.pdf> for details on how to connect to the video conference), with the meeting opening at 7:15.

At our October meeting we'll see what's happening "behind the curtain" for Android smartphones with a review of the operating system, the underlying file system, the apps, and see how to work around some annoyances. Details at <https://opcug.ca/events/managing-your-android-phone>

However, there are also some annoyances with Android, and we will see how to work around some of these. Finally, we will take a brief look at the ultimate solution – but, one only applicable to those brave enough – replacing that outdated version of Android with a custom ROM!

We will wrap up the evening with our regular Q&A session. Bring your questions - and help out with your answers - and help fulfill our motto "users helping users"

--- 30 ---

OPCUG is a not-for-profit organization located in Ottawa, Ontario. Our motto is *Users helping users*, a task we have undertaken for more than 35 years. Every 2nd Wednesday of the month (except for July and August) we present a topic that is of interest to our membership and the public at large.
