## Recent Scams

One of our members recently received the following SMS text message:

### Red Flags - Why is this a scam?

The recipient does not have a Netflix account so “Payment Refused” on this supposed account is the first clue!

The telephone number has no listing in a reverse lookup on 411.ca and so is unlikely to belong to a legitimate business.

The link to the .info domain is unlikely to belong to Netflix that normally uses netflix.com
